You
What kind of flower is this?

Copilot
Based on the image you sent, I think the flower is a **hibiscus**. Hibiscus is a genus of tropical plants that produce large, showy flowers with prominent stamens. The flowers can be pink, red, yellow, orange, or white, often

Explore Powerful Generative AI

ComResource has partnered with Microsoft to host the Copilot Cloud Lab Experience (CCE), a 2-hour interactive demonstration that allows businesses like yours to test out the powerful capabilities of this AI tool. Using dummy data, our team will walk you through various practical ways to start taking advantage of Copilot.

Preliminary survey results of Copilot for Microsoft 365 users showed that:

87% agree they are more productive.

94% said it makes it easier to get started on a first draft.

69% said they were able to focus on more valuable work.
